Notes for Dorsey Delp Hollis:

[hollis(anc.).ftw]

Dorsey Hollis was killed by a hit and run accident. Dad used to tell the story in such a way that it happened during prohibition. By his version Dorsey had gone to a neighbors to sample some bathtub gin that they were making. On the way back, drunk as a skunk, he was struck by a hit and run driver who was also supposed to be drunk. It was a good story that illustrates how the law was flaunted during our dry period, but it is far from the truth. In the two accounts from the Saginaw News the first thing to note is that the year is 1939--Prohibition ended in 1933!

Saginaw News, Wed., March 1, 1939, page 1

2 CRITICALLY HURT IN AUTO ACCIDENTS

Two Saginaw men were hurt critically early Wednesday in automobile accidents, one apparently involved a hit-run motorist, who is sought by Saginaw sheriff's officers.

The victims are Dorsey D. Hollis, 55, of 2900 Williamson street, a Chevrolet foundry foreman, and Edward W. Waterstradt, 28, of 2926 Thayer street. Both are in grave condition at St. Mary's hospital, suffering possible skull fractures. Hollis, believed to have lain unconscious in the road about 6 hours, suffered greatly from exposure, his hands and feet being frozen.

Waterstradt....

Sheriff Muehlenbeck said Hollis left home shortly after midnight to visit a neighbor. He was found Wednesday morning by a motorist. Although the victim's body shows no marked lacerations, the sheriff believed him the victim of a hit-runner because of broken glass found nearby. Garages are being checked for the wanted car. The accident occurred about half a mile from the Hollis residence, near the city limits.

That article was followed by:

Saginaw News, Thursday, March 2, 1939, page 1

HIT-RUN VICTIM DEAD OF INJURY

An autopsy Thursday indicated Dorsey H. (sic) Hollis, 55 of 2900 Williamson street, died of injuries inflicted by an automobile, Coroner William E. Honey reported. Hollis, hands and feet frozen, was found laying in the road about half a mile from his home Wednesday morning and died last night at St. Mary's hospital, apparently of exposure and a skull fracture.

Sheriff Muehlenbeck said fragments of glass believed to be from an automobile headlight, found near the scene, were sent via air mail to Washington yesterday afternoon for identification by Federal Bureau of Investigation experts.

No trace has been found of the hit-run motorist believed responsible for Hollis' death. Assistant Prosecutor Montgomery is investigating.

And the plott thickens:

Saginaw News, Saturday, March 4, 1939, page 1

FLINT MAN TAKEN IN HIT-RUN CASE

A three-day search for a hit-run motorist whose automobile early Wednesday struck and fatally injured Dorsey H.(sic) Hollis, 55, of 2900 Williamson street, was believed ended Friday night with the arrest of a Flint man, now held at Saginaw county jail pending formal complaint, likely to be made Monday.

The suspect, Paul Higgins, 27 of 45515 Carlton street, Flint, was arrested by Sheriff Muehlenbeck and Supt. Dale Austin of the Saginaw county identification bureau, after it was

established that he had taken his vehicle to a Flint garage for repair of a broken headlight and a dented fender. Authorities say there is other incriminating evidence. Higgins has refused to make any statement.

Then came his obituary:
Saginaw News, Thursday, March 2, 1939
DORSEY H. HOLLIS

Dorsey H.(sic) Hollis, 52, Williamson road, died Wednesday at St. Mary's hospital. Mr. Hollis was born Nov. 11, 1886, at Blairsville, Pa. In 1905 he married Mill Leontine Casten at Blairsville. He came to Saginaw ten years ago and has been employed as a foreman at the Chevrolet foundry. Mr. Hollis was a member of the fMehodist Eposcopal church at New Kensington, Pa. He leaves his wife; three sons and a daaughter, Paul, Arthemus, Robert Edward and Dorothy; a brother, Benjamin Hollis of Blairsville and three sisters, Mrs. Ernest Ripence of Saginaw, Mrs. H. L. Reid and Miss Charlotte Hollis of Blairsville. The funeral will take place at 1 p.m. Saturday at the Wallace & Honey funeral home. Rev. Wilbur D. Grose will officiate and burial will be in Forest Lawn.

Some words on the trial of Paul Higgins for hit-and-run

It was in front of the Joseph Swarty farm that Dorsey was struck. The call came to the police on the morning of March 1, 1939 about 7am.

Dorsey was found lying on ice covered ground and was completely covered with snow. He had lain there long enough that he had melted down one inch into the ice. In his pocket was found an envelope with his address and no other identification at all. I speculate at this time that the envelope was his notification of divorce filed by his wife.

He was supposed to have left home around 2:15 am to see a neighbor named Buckner(s), yet he was found about a mile from home.

As to the trial itself it was a joke. The lawyers were the real trial with their objections, lack of interest at reaching truth, and not being serious about justice. Many of the witnesses took the Fifth. The testimony was contradictory without being challenged. It was interesting that the judge did find Higgins guilty of not giving aid!

September 21, 1956

Dear Niece and Family,

I received your lovely gift, you couldn't have gotten one anything I needed or appreciated more. Thanks so very much.

I am very sick and have been very [sick] now for a year. I doubt if I weigh 75 lbs. I have been bedfast since June. I am almost helpless. I am with Jerry. He takes very good care of me-my eyes [are] so bad I can hardly see so I have to have someone to write for me.

Do you remember Jewels' wife? She has been to see me quite often. They live in Detroit.

I hope all the family is fine and thanks again.

Love,

Aunt Ellantine

On the backside of the same letter:

Dear Madeline,

I am Jewels' wife Caroline. It's such a pity here. Aunt Ellantine has gone to a shadow. She has cancer all through her. It started in the bladder. She has a big lump the size of a small football between her legs. She can't eat. Uncle Jerry fixes her breakfast early in the morning before he goes to work. She eats two slices of French bread, cup of coffee, and that's all she eats 'till next day.

Don't mention cancer to her-she doesn't know it. I try to come up as often as I can. I love her dearly, so if I could only do something to help her. Dr. keeps her under dope most of the time the pain is so bad. I am having doctor out today. I will be with her 'till Sunday.

Lots of Love to All,

Your Cousin Caroline
